What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents/guardians, students, and teachers, develop together. It explains how parents/guardians and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Tapp Middle School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Laura Shyman at 770-222-3758 x 074 or Laura.Shyman@cobbk12.org to provide feedback.

Teachers, Parents/Guardians, and Students-Together for Success

Tapp Middle School Teachers

Will work with students and their families to support students' success by:

- Teachers will provide extra help through our Reading Class, Writing & Math Support, as well as before the bell, after the bell and in-class tutoring.
- Teachers will provide strategies using emails and written Communication to parents for students who need support reaching their correct reading level.
- Teachers will post support materials, learning strategies, and test preparation materials for assessments on CTLS Learn.
- Teachers will regularly update grades in Synergy in the area of Science, ELA, Social Studies and Math and provide updates for parents if students need additional support.

Tapp Middle School Families

Will join the staff to develop ideas about how families can support their student's success at home:

- Parents/Guardians will ensure students participate in tutoring for Math and ELA and respond to communication from teachers regarding additional support provided for students.
- Parents/Guardians will regularly check teacher's Blog and communicate via email or through written form with teacher.
- Parents/Guardians will check CTLS Learn as Impersonators to see students learning strategies for all content area and preparation materials for assessments.
- Parents/Guardians will regularly check student grades in Synergy in the area of Science, ELA, Social Studies and Math, and ask them what they are learning in these classes and how it may apply to their everyday lives.

Tapp Middle School Students

Will work with Teachers and their families by:

- Students will participate in tutoring for Math and Reading support. Families will respond to communication from teacher regarding additional support provided for students.
- Students will regularly check there CTLS Student and communicate in class with teachers.
- Students will check with teachers for support materials and engage in strategies and preparation materials for assessments.
- Students will regularly check grades in Synergy in the area of Science, ELA, Social Studies and Math. Student will discuss with parents and teachers what they are learning in these classes and how it may apply to their everyday lives.

One Team, One Goal, Student Success!
