School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Tapp Middle School will provide opportunities to improve family engagement to support student learning. Tapp Middle School values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Tapp Middle School will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

Jointly Developed

Tapp Middle School invites all families to complete the Fall school improvement input survey/evaluation to provide suggestions on the school's Title I program. All families are also invited to attend the Spring school improvement input meeting to revise this parental involvement policy, our school-parent compact, building staff capacity professional learning topics, and the parental involvement budget. Additionally, family input and comments regarding this plan are welcome during the school year. The plan is posted on our school Web site for families to view and submit feedback throughout the year. All family feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey that is posted online to ask families for their suggestions on the plan and the use of the 1% reservation of funds for parental involvement. Families can also give feedback during any Family meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their parents and families, are encouraged and invited to fully participate in the opportunities described in this policy. Tapp Middle School will provide full opportunity for the participation of Neglected and Delinquent proxy parents, parents and families with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

Every family will receive the plan during Parent-Teacher Conference week. It is also available on the school website and a copy is in the front office binder. Families can also retrieve a copy of the plan in the Parent Resource Center. We will gladly mail the plan to you upon request.

What is Title I?

Tapp Middle School is identified as a school having a Schoolwide Title I program as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards which reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

2025-2026 CCSD District Goals

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Family-School Compacts

As part of this plan, Tapp Middle School and our families will develop a family-school compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the School Improvement forum. The family-school Compacts are distributed during Parent-Teacher Conference week October 13-17, 2025. Copies are also available throughout the year in the Main Office and in the Parent Resource Room.

Let's Get Together!

- ✓ Provide two trainings each semester for staff during their planning periods on strategies to improve communication with families and ideas to increase family engagement.
- ✓ Partner with our feeder schools by conducting joint meetings and events for Parents/Guardians and sending school information about family engagement activities to help prepare Parents/Guardians and their child for school transitions.
- ✓ Share information in English and Spanish on the school blog and in the school newsletter for Parents/Guardians to understand the school's academic standards and assessments as well as the ways Parents/Guardians can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through CTLS Parent, school website, social media, campus Marquee, newsletter The Shyman Share, Principal callouts, etc.
