

The Maverick Minute

Parent Edition – 2/13/22

Principal's Note

McClure Families,

I guess time flies when you're having fun! It is hard to believe that we have already made it six weeks into the second semester of the school year. This is just a friendly reminder that, when we get back from February break, there is just a short span of time remaining in the 3rd quarter of the school year. That means that 3rd quarter honor roll will soon be announced, and students will have their class placements for next year pretty much determined. So, now is the time to make sure your students class grades look the way you want them to look. Be sure that you and you student are checking grades in ParentVue / StudentVue so that there are no surprises when the end of the 3rd quarter is suddenly upon us. As always, thank you for all that you do to support your student's success at school while they are at home!

Sincerely,
Cory Stanley

Operational

School Store – Every Friday, our PTSA runs a school store (The Trading Post) before the school day begins. You may not know this, but they offer many supplies for class (pens, pencils, paper, notebooks, etc) at costs cheaper than you can get at the store. So, next time your student needs supplies, they can get them at the Trading Post!

NJHS Food Drive – It's Superbowl season, and what better way to celebrate it, than with our own [Soup-er-bowl Food Drive](#)! Starting Monday, February 14 through Friday February 18, McClure NJHS will be conducting a non-perishable food drive for MUST ministries. The food bank is in need of the following items: condensed soup, canned vegetables, chunky soup, mac & cheese, oatmeal, canned pasta, peanut butter. If you are able to participate, please have your child bring the items in to their homeroom teacher. We kindly ask that you do NOT send glass items.

H.S. Registration – High school counselors will be at McClure to answer questions about registration and help students sign up for classes. Kennesaw Mountain's counselor is coming Thursday February 17 and Harrison's counselor is coming Thursday March 3. Both sessions will be in PC Lab 2 from 8:30-9:30AM.

DARE Day – Coming up this Friday is our February DARE Day. DARE Day is the celebration of students with positive behavior. All students must earn enough PBIS Rewards points to attend. During DARE day we go outside, students can hang out and play with their friends, and we sell concessions like candy and soda (it's what they kids want!). Students are also able to "spend" their PBIS Rewards points on rewards from candy to hoodies. Congrats to all students who earn DARE Day each month!

7th Grade Vaccines – Heads Up! All rising 7th grade students are required to have one dose of the Tdap and meningococcal vaccines to attend school. Once your child has received the required vaccines, please send a copy of the completed Georgia Department of Public Health Certificate of Immunization Form 3231 to McClure. It can be emailed to summer.lundberg@cobbk12.org or dropped off to the front office. Per Georgia law, in order for your child to remain in school, a completed immunization record must be on file for your child by the first day of the new school year. 6th grade parents, it's never too early to start planning ahead!
