

The Maverick Minute

Parent Edition – 2/6/22

Principal's Note

McClure Families,

Every day at McClure we are reminded of the excellence of our students. From the way they walk into the building smiling and greeting us, to the way they work hard on their classwork, to the way they make us laugh with their humor, we truly appreciate them! We know that the reason our students are the way they are is because of you, their parents. We do our best to shape them and to push them to be their absolute best, but we know we can do that because of the quality and character of the individuals walking in the door. Thank you for all that you do supporting our students. It is because of them that McClure is such an amazing place!

Sincerely,
Cory Stanley

Shout Outs

National School Counseling Week – Shout out to Ms. Stacye Sledge and Ms. Wendy Sherer for all that do for our McClure Team! This week is National School Counseling Week. We will be recognizing and celebrating them all week!

Black History Bowl – The McClure Black History Bowl Team competed in the finals this weekend and made it all the way to the semifinals! They were unbelievably impressive in their knowledge and dedication. We are so proud of them! Congratulations to coaches Wanda Leonard, Delaina Anderson, and Jackie Wilson!

Operational

Scoliosis Letter – Thank you to all 6th and 8th grade parents who have returned the scoliosis letter. We will be sending another letter home to students who have not returned them this week. If you want to print one yourself to send in, you can do so [Here](#).

Great Things in the LLC – See all the LLC news [Here](#), but this is a summary for February:

February marks the return of the library learning commons' annual Share the Love contest where our students nominate a teacher to win a free book of their choice and a box of chocolates. If the student's nomination is chosen, both the student and the teacher win. New supplies and kits have been added to the MakerSpace for our Maverick Makers club and we will be working on 3D printed hearts this month. The Maverick Makers are still accepting members, please see the LLC website for more information. There is also still time to join the Book Club. Our next meeting is on February 16th at 8:20 in the LLC where we will discuss Amari and the Night Brothers by B.B. Alsted.

Virtual Talks with Harrison Counselor – Gillian Moody (Harrison High School) is hosting virtual transition talks every Friday in February and March from 8:30AM-9:30AM. Harrison rising 9th grade students and parents are welcome to join to ask questions about registration. See [This Flyer](#) for the link!

7th Grade Vaccines – Heads Up! All rising 7th grade students are required to have one dose of the Tdap and meningococcal vaccines to attend school. Once your child has received the required vaccines, please send a copy of the completed Georgia Department of Public Health Certificate of Immunization Form 3231 to McClure. It can be emailed to summer.lundberg@cobbk12.org or dropped off to the front office. Per Georgia law, in order for your child to remain in school, a completed immunization record must be on file for your child by the first day of the new school year. 6th grade parents, it's never too early to start planning ahead!

Apps You Should Know – Check out this [Great Graphic](#) on apps you should be aware of on your student's device(s).

Community Events

Harrison Jr. Track – The Jr. Hoyas Tract Team will begin working out on February 15, 2022. For information on participating, contact [Coach B!](#)

McClure Foundation

Makeover Nearing Completion – Keep a lookout for a flyer from the McClure Foundation this week of ways to support the Foundation and McClure. We are so close to our goal of \$30,000 for the Maverick Makeover. We are ready to purchase cool new furniture for the spaces, but we need your help to get us there!
