

The Maverick Minute

Parent Edition – 5/8/22

Principal's Note

McClure Families,

I hope everyone had a great weekend and that all you mothers had an amazing Mother's Day! This week at McClure, we forge ahead with 7th Grade Milestones Testing. Even through it is only 7th grade testing, the schedule is changed for all three grades at McClure. You can see our bell schedule this week [Here](#). If you are wondering what day your student might be testing, you can see the whole Milestones schedule [Here](#). To keep up with everything going on at McClure, see [McClure May Calendar](#). This should help you see what is happening every day from now until the end of the year. Now is also the time to make sure your student's grades are looking the way we want them to look. Be sure to keep checking [ParentVue](#) over the next two weeks to make sure that Spring fever does not creep into the gradebook. As always, thank you for everything you do to support the work we do at McClure at home!

Sincerely,
Cory Stanley
