

End of Course Information

For Biology

Students currently in Biology will take the EOC on December 6th and 7th. There are 2 sections and Section 1 will be given on 12/6 and Section 2 will be given on 12/7. Students must take both sections.

This year, the EOC will count for 20% of your final grade so it is very important that you take it on the required date and do your best!

Here are a few things to know and a few tips:

- Your teacher will let you know where to go (and which block) to test when it gets closer to the EOC date. If you still aren't sure where to go a few days before, ask your teacher!
- All EOCs will be given face-to-face at McEachern. There is no remote option.
- We will socially distance and spread out as much as possible.
- If you do not take the EOC, teacher must enter a 0 (zero) that counts toward 20% of your final grade.
- Get plenty of rest the night before your testing dates!
- Eat a healthy breakfast on the morning of your testing dates so that you have plenty of energy.

Additional resources to help prepare students for the EOC:

Tuesday 11/30-EVOLUTION

7:45am-8:10am (Ms. Kucera) **Room D109**

3:35pm-4:00pm (Ms. Arnold) **Room D107**

Wednesday 12/1-GENETICS

7:45am-8:10am (Ms. Francis) **Room D101**

3:35pm-4:00pm (Mr. Baxter) **Room D104**

Thursday 12/3-CELLS & ECOLOGY

7:45am-8:10am (Ms. Kucera) **Room D109**

3:35pm-4:00pm (Ms. Ware) **Room D103**

AM & PM sessions are same, just covered by different people. Each session will have laptops in case the students who show up want to practice on USA Test Prep.
