What is a School-Parent Compact?
A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Varner Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Kathryn Davies at (770)-222-3775 or Kathryn.davies@cobbk12.org to provide feedback.

Varner Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

Volunteer Opportunities:

- Classroom Readers (In person or virtual)
- Media Center
- Title I Planning Committee

Partnership Meetings:

District Goals for Student Achievement

- By SY26, increase growth by two percentage points, for students scoring at the proficient or distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Varner Elementary's Goal(s) for Student Achievement

Goal #1

The percentage of students scoring at or above grade level for grades K - 2 will increase from 25.2% (81 students) to 30.2% (97 students) as measured by the 2024 - 2025 spring Amira screening results.

The percentage of students in grades 3 – 5 scoring proficient and distinguished will increase from 37% (146 students) to 42% (166 students) as measured by the 2024 - 2025 EOG ELA Assessment

Goal #2

The percentage of K - 2 students scoring a rating of Prepared (Quantile) score will increase from 36% (117 students) to 41% (133 students) as measured by the 2024-2025 spring Beacon universal screener results.

The percentage of students in grades 3 - 5 scoring proficient and distinguished will increase from 37% (146 students) to 42% (166 students) as measured by the 2024-2025 EOG Math Assessment.

Teachers, Parents, and Students-Together for Success

Varner Teachers

1. Provide families access to instructional websites, learning resources and instructional videos to address student needs in reading and math.

2. Provide reading comprehension materials for families to utilize with their child at home on their individual reading levels.

3. Provide families with resources and activities to assist students with mastering grade level standards in math, reading, and writing during academic events and individually as needed.

Varner Families

1. Visit CTLS Parent to access websites, learning resources and instructional videos to support their child(ren) at home.

2. Provide a daily reading time encouraging their child(ren) to use reading comprehension strategies to think about their reading.

3. If possible, attend academic events (i.e. i.e. Literacy, Math/STEM Make and Take events) to gain resources and activities to support their child(ren) at home with mastering grade level standards in math and reading.

Varner Students

1. Access CTLS Learn and learning websites and resources to practice math and reading skills.

2. Read daily while using comprehension, word study and vocabulary strategies.

3. Use activities and resources provided to practice math strategies for problem-solving and reading comprehension strategies that increase mastering grade level standards for math and reading.

One Team, One Goal, Student Success!
