

FlyGirls was developed to introduce young women in grades 4th - 8th to aerospace using drones. The sky is the limit for these young women who learn how to fly, code and operate their drones safely.

In our Mableton chapter, we will focus on creating a drone performance using skills we learn, and sharpen our flying skills to compete in obstacle races.

Meeting Dates: 1st and 3rd Wednesdays of the month (10/23, 11/6, 11/20, 12/4, 12/18)

Meeting Times: 2:30 - 3:30

Location: Ms. Watt's Room 1038

Events: FlyGirls Expo
